SARATOGA SPRINGS CONFERENCE

THE FORTIETH CONFERENCE of the American Library Association will be held at Saratoga Springs, New York, from Monday to Saturday, July 1-6, 1918. Headquarters will be at the Grand Union Hotel (1200 rooms, rates, \$5, \$6 and \$7 per day, American plan). Numerous smaller and less expensive hotels will be available; names and rates will be announced in the May *Bulletin* and in the library periodicals. Directions will then be given for making reservations.

THE PROGRAM

The theme of the program will naturally be the war and what libraries and librarians are doing and can do to help win it. Five general sessions will be held, the first Monday evening, July 1, at which President Montgomery will deliver the President's address. An informal reception will follow. At the second session, on the morning of July 2, the War Service committee will present a comprehensive report of the war work. The third session, on the morning of July 3, will take the form of a symposium on "What our library is doing to help win the war," with short contributions from five or six representatives of different types of libraries, with the "meeting then thrown open." The president is planning for a patriotic program on the afternoon of the Fourth, with perhaps an oration by a man of national prominence, and other features. Friday's session will bring addresses on the spirit of the war literature and the future of American libraries. The general sessions will be held in the commodious Convention Auditorium, a few steps from the Grand Union.

The various sections, affiliated societies and round tables will all hold sessions, according to present expectations. The war will be their principal theme.

The Agricultural Libraries Section will discuss the general subject of libraries and war service in connection with food conservation and production. The Catalog

Section will have a paper on the work of the war work indexers and catalogers in Washington and how catalogers can help. The theme of the Children's Librarians' Section will be "The children of a nation at war." The Professional Training Section will have a paper on the reactions of the war upon library training, and another on a couple of experiments being tried out this winter in secondary training in library work.

The National Association of State Libraries and the American Association of Law Libraries will hold a joint session and one or two independent sessions each. "The work of state libraries in war time," "Collecting and cataloging official war documents," and "Recent changes in state library laws," are some of the papers on the program of the former association.

The Government Documents Round Table is to have a paper on "Government documents relating to the war." The Round Table of the Libraries of Religion and Theology will discuss the war and the mission field, and the effect of the war on theological literature and theological seminaries.

The camp librarians will hold a round table to thresh out solutions for some of the camp library problems.

The other sections and affiliated societies have not yet announced their programs but are working on them.

Saturday, July 6, will be observed as "New York State Library Day," and the Association will be guests of the New York State Library at Albany, stopping off there for the day on the way home. A morning program commemorating the one-hundredth anniversary of the founding of that library, a luncheon tendered by the library, and tours of the Education Building in the afternoon will be features of the day, concluding in ample time for evening trains and the New York boat.

Further particulars of the program will be printed in the May *Bulletin*.

TRAVEL ANNOUNCEMENT

Saratoga Springs is thirty-nine miles north of Albany, N. Y., on the Delaware and Hudson railroad. It is easily reached by train from all parts of the United States and Canada. There is little prospect of any special rates being granted for the Conference, or of being able to secure a fare that will be much, if any, less than twice the one-way rate, plus the eight per cent war tax. Still the fares from New England, the middle states, and the middle west, will be found quite reasonable, and as far as can now be predicted the summer service will be about as in former years. Probably no special train service will be allowed, though the Travel committee hopes to secure certain concessions, such as a special section of train from Chicago and Pullmans from Boston. Pullman reservations will be made for party use, and this year the war tax of ten per cent on seats, or berths, must be added to the usual rates.

STANDARD LINE RAILROAD RATES TO SARATOGA

Below are given the one-way through railroad fares, as at present in force, tax of eight per cent included.

New York City.....	\$4.54
(Round trip \$8.62)	
Philadelphia	7.53
Washington	11.20
Boston	5.49
*Chicago	22.17
St. Louis	26.64
Milwaukee	24.38
St. Paul and Minneapolis.....	32.43
Cincinnati	19.33
Detroit	17.12
Cleveland	14.26
Buffalo	9.29

*From Chicago and other mid-western points, including all cities shown below Chicago on this table, a rate of about \$2.00 less than price given is made on differential lines.

New York Party

Mr. C. H. Brown of the Brooklyn Public Library (26 Brevoort Place, Brooklyn) will have charge of the New York special party, and the plan is to leave New York City Sunday night, June 30, at about 6:30 o'clock, by the Albany night boat, transferring from boat to train for Saratoga at the dock in Albany. Due to arrive at Saratoga about 8:30 a.m., Monday, July 1.

Fare from New York to Saratoga on the night boat is \$3.43 one way (round trip \$6.59), but by use of a ten-party ticket, can be reduced to \$3.10.

Staterooms (accommodating two persons) are \$1.50 and up; or 75 cents and up for each person, plus ten per cent war tax.

Inasmuch as travel is very heavy at the time of the Conference, and as this year's travel accommodations may be less than formerly, reservations should be made for stateroom berths on the boat not later than June 10, and as much earlier as possible. Make reservations through Mr. C. H. Brown, remitting to him one-half the price of stateroom ticket (plus tax of ten per cent) and also the amount of party ticket.

Those attending from points which would bring them through New York City are cordially invited to join the New York party and make reservations through Mr. Brown.

From New York several options are available for those not desiring to join the party. The New York Central railroad has service at frequent intervals, taking five hours for the trip, but a change of trains will in most cases have to be made in the Albany depot.

The Day Line boat to Albany leaves about 8:30 a.m. (Sunday excepted), which would not get delegates to Saratoga until about 8 p.m. (Rates by day boat will probably be about \$4.00.)

New England Party

A special party will be planned from Boston, leaving South Station July 1 at 10 a.m. (Framingham, 10:38; Worcester, 11:15; Springfield, 12:40 noon; Pittsfield, 2:30) arriving at Albany at 3:48 p.m. and at Saratoga at 6:05 p.m. in time for the opening session that evening.

Parlor car seats, Boston to Albany, \$1.10, including tax; and if enough apply, the parlor car can probably run through to Saratoga.

Register for the trip with Mr. F. W. Faxon, 83 Francis Street, Back Bay, Boston, stating whether or not parlor car seat is desired. Fare, Boston to Saratoga, one way, including tax, \$5.49.

Chicago Party

If a special train is not permitted us this year, we hope at least to run as a separate section, provided enough applications are received to warrant it. If not, Pullmans for our exclusive use will be available on a regular train.

Mr. John F. Phelan, of the Chicago Public Library, will be in charge of the Chicago party, and reservations should be made through him.

The journey from Chicago to Saratoga will take about twenty-two hours, and full details of the party movement will be announced later. Although there is no prospect of any summer excursion rate better than twice the one-way fare, we shall announce later possible circle tours on the return journey.

POST-CONFERENCE OMITTED

It is not deemed wise this year to schedule any post-conference trip, but the Travel committee would call attention to the proximity to Saratoga of Lake George, Lake Champlain, Plattsburgh, Ticonderoga, the Adirondack mountains and Lake Placid. From Albany it is but a short trip to the heart of the Catskill mountains, or to the beautiful Berkshire hills of Massachusetts.

TRAVEL COMMITTEE,

F. W. FAXON, Chairman.

LIBRARY WAR SERVICE

The energy of the Association is centered on the Library War Service. Hundreds of librarians, from coast to coast, are engaged in some part of the large task of furnishing reading material to the soldiers and sailors of the United States. The work is being conducted under the general direction of Dr. Herbert Putnam, librarian of Congress, and headquarters are at the Library of Congress, where a staff of about twenty-five are devoting their entire time to the service.

War Library Bulletin, vol. 1, no. 4 (January, 1918) which was distributed to about 6,000 libraries, sets forth the status of the work, which is summarized on the cover page as follows:

1.—A fund of more than a million and a half dollars has been raised for the purchase of books, the erection of buildings and the administration of the service.

2.—More than half a million books have been donated by the public, sorted and labeled by the librarians and shipped to camps, forts, training stations and naval vessels.

3.—A hundred thousand books, mostly non-fiction, have been purchased for the camp libraries.

4.—Thirty-three library buildings have been erected, or are nearing completion, from the \$320,000 given by the Carnegie Corporation for this purpose; and a thirty-fourth at Great Lakes Naval Training Station made possible by an anonymous gift of \$10,000.

5.—Seventy-nine men, mostly trained and experienced librarians, have been placed in camps as librarians and assistants. In addition, there are many more employed in a subsidiary capacity.

6.—Hundreds of other librarians, both men and women, are giving some time every day to this work.

7.—Three or four hundred branch libraries have been established in Y. M. C. A. and Knights of Columbus buildings, the Y. W. C. A. hostess houses and the base hospital reading rooms.

8.—Many deposit stations have been opened in company barracks and mess halls.

9.—Hundreds of small military and naval camps, posts and vessels have been supplied with books through chaplains, Y. M. C. A. secretaries, and other agencies.

10.—Tons of magazines have been sorted and distributed to soldiers.

11.—Automobile trucks have been purchased for the service in all the main camps and daily deliveries of newspapers, magazines and books are made to branches and deposit stations.

12.—A dispatch office has been opened at one of the ports of embarkation, from which books are being shipped to France, and supplied to men for use while on board the transports.

13.—Thousands of special requests for books—mostly technical—have been filled by purchase and inter-library loan.

14.—An organization has now been perfected at headquarters to insure prompt

and adequate attention to needs as they arise.

15.—All of these things have been done with the minimum possible expenditures for administration, and the minimum possible formality in the actual service of the books.

Since this statement was printed the number of men in the camps has increased to nearly one hundred; several women have also been permitted by camp commanders to work in the camp libraries; a dispatch office has been opened at another port of embarkation (Newport News, in addition to Hoboken); the number of purchased books has trebled; many new points of service have been established; and a national campaign is now in progress for the collection of two million gift books.

It is unnecessary here to rehearse the work of the Library War Service in detail as the facts are furnished in the *War Library Bulletin*, which is distributed to over 6,000 libraries of the United States and Canada. Any library not receiving copies may obtain them by writing the A. L. A. War Service, Library of Congress, Washington.

MID-WINTER MEETINGS OMITTED

The usual mid-winter library meetings, which have been held for the past ten years in Chicago, were omitted this year on account of the war. The Executive Board met at Washington on January 2, and the minutes of that meeting are printed in this number of the *Bulletin*. The Publishing Board, with two members present and

the other two voting by proxy, also met on the same day in Washington, but limited the business transacted to the reception of the Treasurer's report and the adoption of the budget for the year 1918. The Council will hold business sessions at the Saratoga Springs Conference.

Your Committee is prepared to approve appropriations, in accordance with this budget, of the sum of \$11,780.00 to the general expenses of the Association, and to the use of the Publishing Board, the sum of \$4,500.00 and the total amount received from the sale of publications, except the \$2,800.00 agreed upon by the Publishing Board as its appropriation towards the support of the Executive Office, the total for the Publishing Board being estimated at \$12,600.00.

At the request of the chairman, Dr. C. W. Andrews has audited the accounts of the treasurer and of the secretary as assistant treasurer. His audit finds these accounts correct and properly vouched for so far as can be determined before the receipt of the report of the trustees of the Endowment Fund. His final report, together with a report on the audit of the accounts of the trustees, which will be made by Mr. Craver, will be given in the formal report of this committee to the Association at its annual meeting.

Since the Proceedings and Handbook for 1917 have not been issued, the Finance committee recommends that the unexpended balance of the appropriation for the Bulletin be held to meet the expenses of publication of Proceedings and Handbook. A similar treatment of other items properly chargeable to 1917 might also be made.

Respectfully submitted,

A. L. BAILEY,

Jan. 2, 1918.

Chairman.

Appropriation to Publishing Board

On motion of Mr. Bailey it was voted that in accordance with the report of the Finance committee there be appropriated for the use of the Publishing Board the income of the Carnegie Fund, estimated at \$4,500, and all proceeds from sales of publications and of review copies of books, estimated at \$10,900, excepting the amount of \$2,800 agreed upon by the Publishing Board as its appropriation towards the

support of the Executive Office of the Association.

Appropriation to Library War Work

On motion of Mr. Ranck it was voted that the sum of \$1,000 be appropriated from the uninvested funds of the Association now in the custody of the treasurer, to the Library War Service of the American Library Association, and that the treasurer be requested and authorized to transfer the above amount to the American Security and Trust Company, of Washington, treasurer of the A. L. A. War Library Fund.

Nominating Committee

A Nominating committee, appointed in accordance with Section 2 of the By-laws to the Constitution, was named as follows:

Walter L. Brown, librarian Public library, Buffalo.

Charles E. Rush, librarian Public library, Indianapolis.

Mary L. Titcomb, librarian Washington County Free library, Hagerstown, Md.

Gratia A. Countryman, librarian Public library, Minneapolis.

George H. Tripp, librarian Free Public library, New Bedford, Mass.

Conference of 1918

The place and date for the Conference for 1918 being under consideration, it was voted that the Fortieth Annual Conference of the Association be held at Saratoga Springs, New York, July 1 to 6, 1918.

Resignation of Dr. Putnam from Executive Board

Dr. Herbert Putnam, having tendered his resignation as a member of the Executive Board in a letter addressed to the President of the Association, because of his taking over (in October, 1917) the general conduct of the Library War Service of the Association, it was voted that the resignation of Herbert Putnam, as a member of the Executive Board, be ac-

cepted, but with the sincere and extreme regret of all his colleagues of the Board.

Election of Dr. Hill to Executive Board

On motion it was unanimously voted that Dr. Frank P. Hill be elected a member of the Executive Board to complete the unexpired term of Dr. Herbert Putnam, resigned (term expiring 1920).

Election of Dr. Carlton to Publishing Board

On motion it was voted that Dr. W. N. C. Carlton be elected a member of the A. L. A. Publishing Board to complete the unexpired term of the late Henry E. Legler (term expiring 1920).

[NOTE: Dr. Carlton subsequently declined this election.]

Audits by Finance Committee

On motion of Mr. Dudgeon, representative of the Publishing Board, it was voted that the Finance committee be requested hereafter to audit annually the accounts of the A. L. A. Publishing Board; and also such funds as are collected or disbursed in the name of the American Library Association.

It was also voted that the Secretary prepare or have prepared a proposed amendment to the Constitution setting forth the general auditing powers and functions of the Finance committee.

In response to a recommendation from the War Service committee that the Executive Board arrange for an audit of the accounts of the War Finance committee as of December 29, 1917, (in accordance with a request from the Chairman of the War Finance committee), it was voted that the Finance committee be requested to arrange for an audit of the accounts of the War Finance committee as of December 29, 1917; this audit either to be made by the members of the A. L. A. Finance committee or by such arrangement as this committee deems advisable to employ.

Memorials for Deceased Members

It was voted that Mrs. H. L. Elmendorf and Mr. Everett R. Perry be appointed chairmen of committees, with power to associate with them such as they may desire, to prepare suitable minutes for presentation at the next Conference as memorials to the late Henry E. Legler, and the late James L. Gillis, respectively.

Treasurer's Bond

The treasurer of the Association, having inquired by letter of the chairman of the Finance committee, whether in view of increased financial responsibility his bond (now \$4,000) should be increased, it was voted that decision as to the amount of the bond of the treasurer of the Association be referred to the Finance committee with power.

It was taken as the sense of the Board that the necessary expenses incurred in handling the financial accounts transferred to the treasurer of the Association by the War Finance committee should be paid from the war funds rather than from the regular funds of the Association.

A report (printed elsewhere in this Bulletin) was received and accepted from the committee on Importations.

At a meeting of the War Service committee of the American Library Association, held in New York on December 29, 1917, the investment of surplus funds now on deposit with the American Security and Trust Company, of Washington, being under consideration, it was by that committee voted that, subject to the approval of the Executive Board, the sum of \$500,000 from the funds deposited with the American Security and Trust Company, be invested in 4 per cent U. S. Treasury Certificates, at par with interest, according to the recommendation of the Library War Council.

The Executive Board by unanimous vote approved the above vote of the War Service committee.

At the meeting of the War Service com-

mittee above referred to, the inability of the committee to meet incurred expenses except through the fiscal routine provided for on October 4 and 18, 1917, was considered and the following vote was passed: That the American Security and Trust Company as treasurer, is authorized and requested, from the A. L. A. War Service moneys in its hands, to transfer to the credit of the War Service committee, George B. Utley, executive secretary, the sum of \$2,000, to be used to meet general expenses of the committee not justly chargeable to the fund voted to the credit of the War Service Fund, Herbert Putnam, general director; bills covering such expenses to be approved by the chairman of the committee, and checks to be drawn and signed by George B. Utley, executive secretary.

The Executive Board by unanimous vote ratified the above vote of the War Service committee.

No further business coming before the Board, it adjourned at 4:30 p. m.

The members of the Board were the guests at luncheon of Dr. Putnam, who, after the luncheon, at the invitation of the president of the Association, gave an informal general survey of the progress and present status of the Library War Service, of which he is the general director. Dr. Putnam, at the request of the president, also sat with the Board during a portion of the afternoon session.

REPORT OF COMMITTEE ON IMPORTATIONS

(Presented to the Executive Board,
Jan. 2, 1918.)

In its report at the Louisville Conference, the committee on Importations announced the termination of the British permit arrangement and the release of books and periodicals of enemy origin held at Rotterdam for American institutions. To secure similar action for post parcels detained in London was indicated to be the committee's next concern.

The desired action has been taken by the Foreign Office, as appears from a Note dated September 24, 1917, addressed to Ambassador Page by Mr. Balfour, stating that "instructions have now been issued to the competent authorities that all books of enemy origin now detained in this country, whatever their nature, which have not yet been formally seized and confiscated, shall be forwarded to the United States of America provided they are destined for universities or public institutions."

The committee then indicated that it had to mark time till the pending Trading-with-the-enemy Act was disposed of by Congress. This Act became law October 6, and a Presidential order six days later prescribed the method of its enforcement. A War Trade Board was set up, and, for commerce, direct or indirect, with the enemy or his allies, a license from this Board was declared necessary.

The committee's action thereafter is made clear in the following circular which they sent to twenty-four leading importers, with authorization and request that they communicate its text to their client institutions:

The British Foreign Office has given instructions to release all publications of enemy origin in detention, so far as they are addressed to universities or public institutions of the United States, and has announced the termination of the permit arrangement. Accordingly, parcels held in London may be expected at any time, but shipments stored at Rotterdam, while now on shipboard there, must await the conclusion of the embargo negotiations with Holland. A solution is declared imminent.

As to material accumulated in Germany, the committee can have nothing as yet to say, except that they have no reason to suppose that it is not safe and may not remain so.

We now turn to the future. Our operations hereafter fall under the control of the Trading-with-the-enemy Act. Commerce with Germany or its allies is unlawful except under Government license.

To save the time of all concerned and to avoid confusion this committee applied to the War Trade Board for a blanket license in behalf of the American Library

Association. This has been granted in the following terms:

"Universities, colleges and public institutions of approved character, or their duly accredited agents, to import, subject to Government censorship and control, and obedient to a procedure to be approved by the Department of State, such publications, especially those of serial character, issued in Germany or in countries allied with Germany, as may with reasonable assurance be considered likely to assist important work of research in science and scholarship without in any way involving the safety of the United States or hindering the successful prosecution of the war—the American Library Association pledging its assistance in keeping the lists within the strictest limits of propriety."

Responsibility is thus shifted to the Department of State. It is found sympathetic and ready to render a reasonable service. But the responsibility is first upon us. Our first concern is to win the war, and we have no right to divert the Government's energy into unprofitable channels. Let our requests be well within the definition and even postponed if no serious inconvenience is entailed. This means the excision, for example, of the popular, the theological and the historico-political, because the first is unworthy of the time, and the others the favorite avenue of the propagandist. The perils of transportation and the possible detentions of the censor are not to be forgotten.

First, then, subscriptions to the periodicals of 1918. The Department asks this committee to assemble for it immediately the lists of desired orders. Will you, therefore, make up for each of the American agents whom you desire to patronize a strictly alphabetical list of the periodicals required, numbering the titles consecutively in the left margin, and mail a copy (naming the agent who is to fill it) to the secretary of this committee, within twenty-four hours, if possible, after the receipt of this circular. The list sent to the agent constitutes an order made conditional upon its approval by the Department of State and the agent's subsequent demonstration of ability to obtain the goods from Germany. Only then may payment rightly be made.

With the lists established, a procedure will be worked out with the agents whereby their orders will get the safe-conduct

of the diplomatic pouch, and the material be distributed by them after inspection.

Bear in mind that neither the Department of State nor the committee assumes any financial responsibility in the transaction. Your dealings and correspondence are to be with your agents. We merely safeguard and assist.

Two cautions: (1) We are concerned now with periodical subscriptions only—not exchanges, not monographic series, not books. Of them, anon. (2) Immediate dispatch of your lists to the secretary of the committee and to your agents is all important.

Baltimore, Md.

Dec. 5, 1917.

With the lists now in, the importers' composite orders of approved titles are about to be sent abroad by the Department of State and appropriate instructions issued to American consular agents. If Germany allows the material to come out—and that is problematical—it will reach the United States under Government control, and be censored before being turned over to the agents for dispatch to institutions.

With periodical subscriptions out of the way, the committee may then turn its attention to books, monographic series and exchanges, about which libraries will in due course receive advice.

Thus the American Library Association has received a marked vote of confidence both from the War Trade Board and the Department of State, which have adopted its program without change, acting at once and inviting its aid to carry the scheme through.

FEDERAL AND STATE RELATIONS

Report of Committee

[On account of the omission of two numbers of the Bulletin, the following report of the Committee, submitted in 1917, is now first published.]

The committee on State and federal relations, of the American Library Association, has had before it three matters which are still pending, and upon which it desires to report progress and request the coöperation of all librarians. These matters came up in the course of the Special Session of Congress, and prompt and vigorous action on our part may result in the passage of suitable measures by Congress at the December Session.

The committee protested in May against a proposed postage rate upon periodicals, based upon the distance that the copies were transported from the place of publication, believing that such an enactment will discourage the circulation of magazines having an appeal to the whole nation, will promote sectionalism, and will be an additional and unnecessary tax to libraries, especially those in the south and west and consequently far from the places of publication of most periodicals. We were successful, in combination with other individuals and organizations, in having the provision struck out of the bill, but in conference it was slipped in again and is now a part of the law.

While there is a special committee, headed by Dr. M. L. Raney, of the Johns Hopkins University Library, having as its field the importation of books and periodicals from enemy countries, the committee on Federal and state relations, desiring to coöperate with that special committee, came into communication with the committee on Commerce, of the United States Senate, in reference to the Trading-with-the-enemy Act. That bill, as reported to the Senate upon August 15, providing for licenses to be issued for importation, seemed to your committee a very satisfactory measure. However, in confer-

ence, a clause was slipped into the bill which was evidently an attempt to increase the power of censorship, and which seems to make it dangerous for any importer to mail any foreign periodicals, whether in a foreign language or in English. It is desirable that the law be modified, so as to secure without a shadow of a doubt to American libraries, privileges equal to those enjoyed by English libraries.

An Act of Congress recently passed, prohibits transmission through the mails of newspapers and magazines containing liquor advertisements. This law has as its professed purpose the prevention of orders for liquor sent to business concerns in adjoining states, by persons living in so-called dry territory. The law as passed, however, is so broad in its terms that the Post Office Department has held in some places that it excludes foreign magazines from the mails, and in that way prevents the receipt by libraries of certain American periodical publications. Obviously, advertisements printed in European magazines will not have much response from the United States, and the admission of foreign magazines to the mails will have no appreciable result in the way of an importation of intoxicating beverages. It is most important that public libraries be able to procure through the mails, at the earliest possible time, newspapers and magazines published in Europe, almost all of which contain advertisements of alcoholic liquors. At this time, when coöperation with and understanding of our Allies is of paramount importance, it is a most regrettable mistake to cut off from the public reading rooms of our libraries representative magazines of England, France and other countries, by the side of whose armies our troops will shortly be battling in the endeavor to secure the victory of righteousness and to restore honor to the world. To hinder the people of the United States from having access to such magazines, deprives us of the best medium through which our under-

standing of and sympathy with our Allies can be secured. Without such understanding and sympathy, our alliance cannot secure the permanent good which the sacrifice of the lives and money of the Americans should accomplish. Your committee does not believe that the placing of American magazines in libraries, even though these magazines contain advertisements of liquor, will increase materially the amount of such liquor which is drunk, while it enables the people to have that wide information which such an educational institution as a library ought to give to the citizens of the area for whose intellectual advancement it is responsible. If the complete privilege of receiving such magazines be not given to the libraries, surely at the least the law should be amended so as to limit its effect to periodicals printed in the United States. With such limitations the purpose of the statute will be fulfilled, and the public library will not be impeded in its duty of educating the people.

It has come to our attention that publishers are discontinuing the presentation of complimentary copies of magazines to libraries, stating that the postal law no longer allows any such presentation. Your committee thereupon entered into correspondence with the Post Office Department, and is in receipt of a letter under date of December 6, from the Third Assistant Postmaster General, stating, "that there is no specific authority of law for any free circulation of a second class publication except as sample copies within the limits prescribed in paragraphs four and five, section 436 of the Postal Laws and Regulations. It has, however, never been deemed necessary to question the distribution or the mailing at publishers' second class rates of postage of a *few* complimentary copies, provided the interest prompting a given publisher's action is a friendly rather than a business one."

Respectfully submitted,

BERNARD C. STEINER,
Chairman.

ABSENCE OF SECRETARY FROM HEADQUARTERS

The Secretary of the Association has been connected with the Library War Service in Washington continuously since the first of September, being in Chicago only once, and that for but six days, since the above date. The general work of the Association has therefore been seriously neglected, except for the routine matters which have been capably and energetically prosecuted by the assistants in the headquarters office, Miss Eva M. Ford and Miss Gwendolyn Brigham, assisted a part of the time by Miss Henrietta Lovi. The secretary is planning to spend a part at least of the month of April and the month of June at headquarters.

LIBRARY STATISTICS

The annual summary of library statistics will be omitted this year by the Associa-

tion, but the R. R. Bowker Company is planning to include, in consequence of this Association omission, and with the Association's cordial approval, fuller statistics than usual in its "American library annual."

LIBRARY STANDARDS

By W. Dawson Johnston

Librarian, St. Paul Public Library

The following figures with regard to city library collections, registration, and circulation are published as a contribution to the question of library standardization. They are based upon the U. S. Bureau of Education library statistics of 1913 and population statistics of the year 1910. The averages discovered undoubtedly have some value as standards of measurement.

FUNCTIONS OF A PROFESSIONAL ASSOCIATION

Mr. S. H. Ranck, librarian of Grand Rapids, writes, in a letter addressed to the Secretary of the A. L. A.:

"I should like to call your attention to the address recently given by Mr. Sidney Webb, the well-known writer, before the Royal Institute of British Architects, in which he discusses the organization and function of brain workers' associations,

with particular reference to the architects. Much of what he says there would apply to an organization such as the American Library Association, as you will see from the following paragraph:

Your professional association began at the same time as some others; and it began, like many others, not as a professional association in the ordinary sense, but as what may be called, technically a "subject association." The business of the Institute when it started was not to look after architects; it was to promote architecture, and therefore it included not only architects, but other people interested in architecture. And the reason why your Institute was so largely composed of amateurs at the beginning of its work was that it was a subject association, not a professional association. Its interest was in architecture, and amateurs who were interested in it not only had as much right in the association as the professionals, but they contributed quite a special element—an advantageous element, which in becoming a mere professional association you may have lost.

"Mr. Webb makes a number of constructive suggestions with reference to the work

of a brain workers' association, the most important of which perhaps, so far as the Library profession is concerned, is the following:

First of all, a very large part of the public function of a professional association seems to me to be one which it has not, to any great extent, yet exercised; and that is it ought to claim the right and duty of criticism of everything that is done by the Government, or, for that matter, of any public authority, in the lines of its own profession. It ought not merely to make that criticism in an irresponsible way, but it ought to regard it as its duty to inform the Government of the day of the professional opinion upon every kind of act which is done by the Government, or left undone, on which the profession has a distinct opinion.

"I wish every librarian of the country who is interested in the work of the American Library Association and of the various state associations might read this most suggestive article. It is reprinted in the January number of the *Journal of the American Institute of Architects*."

GIFTS AND BEQUESTS TO AMERICAN LIBRARIES, 1917

The following list of gifts and bequests to American libraries includes gifts of money, buildings, sites, books, and miscellaneous and undescribed items as reported for the year 1917.

The gifts from the Carnegie Corporation aggregate \$1,055,934, including \$320,000 voted for the erection of library buildings at each of the thirty-two camps and cantonments to be provided in the United States for the training of the National Army and the National Guard.

From other sources the gifts of money (or of property whose value has been definitely estimated in money) amount to \$3,876,559, exclusive of the subscriptions for the War Library Service, the total of which approximated \$1,400,000 at the close of 1917.

The largest single gift of the year was in the amount of \$1,000,000, bequeathed by Col. Oliver Hazard Payne to the New York Public library, without terms of restriction as to its use. The Boston Public library received the largest legacy in its history—a residuary interest in an estate of \$1,000,000, bequeathed under certain conditions by Josiah H. Benton, for many years president of the board of trustees of that library. Other important gifts were that of \$600,000, left to the New York Society library by the will of Mrs. Sarah C. Goodhue; and property valued at \$300,000, given to Oneonta, N. Y., by H. E. Huntington.

During the year the John Crerar library, of Chicago, received from the Chicago Academy of Sciences its collection of books and pamphlets, numbering about 30,000 items. An interesting anonymous gift to Harvard University was a collection of 4,000 seventeenth century English political tracts.

The following is the annual financial summary:

From the Carnegie Corporation..\$1,055,934

From others donors (not including gifts, approximating \$1,400,000, for the Library War Service) 3,876,559
Total\$4,932,493

In addition to these money gifts the following were reported:

Number of volumes.....75,553
Sites for library buildings..... 8
Buildings for library purposes
(where money value of same was
not quoted)..... 1
Miscellaneous and undescribed items 42

Unless otherwise stated the gift is to the public library of the place indicated.

Members who arrange to stop elsewhere than at the hotels here listed are requested to notify the Saratoga Springs representative of the A. L. A., so that their names may appear in the advance register of attendance. Be sure in writing for reservation to state clearly your desire as to price, hotel, arrangements you have made as to roommate, time of arrival, and any other facts which will help our representative in assigning you satisfactory quarters. Be sure to sign your name so as to show whether writer is a man or a woman.

General sessions will be held in the Convention Auditorium, a few steps from the Grand Union Hotel. Other meetings will be held in the Grand Union.

Arrangement for space for commercial exhibits should be made direct with the

manager of the Grand Union Hotel. Committees of the Association desiring space should communicate with the Secretary of the A. L. A.

Saturday, July 6, will be observed as "New York State Library Day." The Association and its affiliated societies and friends will be the guests of the New York State Library at Albany, stopping off there for the day on the way home. The following plans have been made for our entertainment, and reported to the Secretary of the A. L. A. by Mr. J. I. Wyer, Jr.:

11 a. m.-12:30 p. m. Exercises commemorating the one hundredth anniversary of the founding of the New York State Library will be held in Chancellor's Hall in the State Education Building. The principal address will be made by the chairman of the Library Committee of the Board of Regents, Hon. Chester S. Lord, of Brooklyn, or in case of his necessary absence, by Hon. Charles B. Alexander, of New York City. Brief addresses are expected from the architect of the building, Henry Hornbostel, and from former directors of the State Library, to all of which response will be made by President Montgomery.

1 p. m. A complimentary luncheon will be tendered by the Regents of the University, served in the Law Library on the second floor.

2-5 p. m. Conferences and visits of inspection to the New York State Museum on the fourth floor of the building and particularly to the different library divisions and sections. Despite the fact that Saturday is a half holiday the reading rooms are always open and the members of the staff will be in attendance at each division and section. Parties will be formed under competent guides to make a tour of the building; while those who do not care to join such parties, involving perhaps a mile or two of walk, will be welcomed in any section whose work may be of special interest.

Former students of the Library School

will be asked to meet in a room to be designated later, in the Library School suite, for some special ceremony.

Good trains, east, west and south, leave in the neighborhood of five o'clock, and the New York boat leaves at eight. The exercises have been delayed until 11 a. m., so that there may be no unpleasant rush in getting down from Saratoga Springs, which is little more than an hour away.

The Education Building is but a few minutes walk from the Union Station; several car lines connect the two, so that it has not been thought necessary to provide special transfer facilities.

TRAVEL ANNOUNCEMENT

Saratoga Springs is thirty-nine miles north of Albany, N. Y., on the Delaware and Hudson railroad. It is easily reached by train from all parts of the United States and Canada. There is little prospect of any special rates being granted for the Conference, or of being able to secure a fare that will be much, if any, less than twice the one-way rate, plus the eight per cent war tax. Still the fares from New England, the middle states, and the middle west, will be found quite reasonable, and as far as can now be predicted the summer service will be about as in former years. No special train service will be allowed, though the Travel committee hopes to secure certain concessions, such as special Pullmans to Saratoga from Chi-

cago without change, and Pullmans from Boston. Pullman reservations will be made for party use, and this year the war tax of ten per cent on seats, or berths, must be added to the usual rates.

RAILROAD RATES TO SARATOGA

Below are given the one-way through railroad fares on standard lines, as at present in force, tax of eight per cent included.

New York City.....	\$4.54
(Round trip \$8.62)	
Philadelphia	7.53
Washington	11.20
Boston	5.49
*Chicago	22.17
Omaha	34.75
Kansas City	32.56
Des Moines	32.75
St. Louis	26.64
Milwaukee	24.38
St. Paul and Minneapolis.....	32.43
Cincinnati	19.33
Detroit	17.12
Cleveland	14.26
Buffalo	9.29

*From Chicago and other mid-western points, including all cities shown below Chicago on this table, a rate of about \$2.00 less than price given is made on differential lines.

PARTY TRAVEL PLANS

New York Party

Mr. C. H. Brown of the Brooklyn Public Library (26 Brevoort Place, Brooklyn) will have charge of the New York special party, and the plan is to leave New York City Sunday night, June 30, at about 6:30 o'clock, by the Albany night boat, transferring from boat to train for Saratoga at the dock in Albany. Due to arrive at Saratoga about 8:30 a. m., Monday, July 1.

Fare from New York to Saratoga on the night boat is \$3.43 one way (round trip \$6.59), but by use of a ten-party ticket, can be reduced to \$3.10.

Staterooms (accommodating two persons) are \$1.50 and up; or 75 cents and up for each person, plus ten per cent war tax.

Inasmuch as travel is very heavy at the

time of the Conference, and as this year's travel accommodations may be less than formerly, *reservations should be made for stateroom berths on the boat not later than June 10, and as much earlier as possible.* Make reservations through Mr. C. H. Brown, remitting to him one-half the price of stateroom ticket (plus tax of ten per cent) and also the amount of party ticket.

Those attending from points which would bring them through New York City are cordially invited to join the New York party and make reservations through Mr. Brown. [The fare from Philadelphia to New York City is \$2.43; Washington to New York City, \$6.10].

From New York several options are available for those not desiring to join the party. The New York Central railroad has service at frequent intervals, taking five hours for the trip, but a change of trains will in most cases have to be made in the Albany depot.

The Day Line boat to Albany leaves about 8:30 a. m. (Sunday excepted), which would not get delegates to Saratoga until about 8 p. m. (Rates by day boat will probably be about \$4.00.)

New England Party

A special party will leave from Boston, South Station, July 1 at 10 a. m. (Framingham, 10:38; Worcester, 11:15; Springfield, 12:40 noon; Pittsfield, 2:30) arriving at Albany at 3:48 p. m., leaving Albany at 4:45, due Saratoga at 6:25 p. m., in time for the opening session that evening. [Verify these times, as summer schedules may make some slight changes. It is possible that an earlier train may be put on from Albany to Saratoga, connecting with the Boston train.]

Fare, Boston to Saratoga one way, including war tax, \$5.49. Register for this trip *before June 20* with Mr. F. W. Faxon, 83 Francis St., Boston, Mass., sending him the money for parlor car seat only. Buy railroad tickets of local agents. Parlor car seats, including war tax, are as follows: Boston to Albany, \$1.10; Worcester to Albany, 88 cents; Springfield to Al-

bany, 55 cents; Pittsfield to Albany, 28 cents. Should it be possible to run parlor car through to Saratoga without change, the additional 33 cents can be collected on the train. It is hoped that all who join the party will decide to take seats in parlor car, though of course coaches can be used if any desire to save the small extra outlay.

Chicago Party

Mr. John F. Phelan of the Chicago Public Library will be in charge of the special party. Arrangements have been completed with the New York Central railroad to operate special Pullman cars, without change, for the exclusive use of the delegates, leaving Chicago Sunday, June 30, LaSalle Street Station, at 5:30 p. m. and reaching Albany at 1:50 p. m. next day. Connections will be made with the Delaware and Hudson train at Albany at 4:45 p. m., arriving at Saratoga Springs at 6:25 p. m., allowing ample time to prepare for the opening session of the convention at 8:00 p. m., Monday, July 1. It is possible that an earlier train may be run between Albany and Saratoga, but between train connections delegates will have opportunity to tour this interesting city.

Railroad and Pullman Rates

It is doubtful whether round trip or summer excursion rates will be in effect this year. The one way fare Chicago to Saratoga Springs is \$22.17, including war tax, and Pullman fare Chicago to Saratoga Springs is \$4.95 (lower berth); \$3.96 (upper berth), including war tax.

Delegates from Wisconsin, Iowa, Minnesota, Missouri, and others passing through Chicago are invited to join the Chicago party, and are urged to register at an early date with John F. Phelan, Chicago Public Library, remitting Pullman fare to insure reservation. The time limit for such registration will be June 20.

Check baggage through Chicago to Saratoga Springs, using tags for this purpose which will be furnished upon registration.

POST-CONFERENCE

Although it has been decided not to plan any post-Conference trip this year, a very attractive post-Conference rest is offered through the kindness of Dr. Melvil Dewey. His Lake Placid club, situated in the most beautiful region of the Adirondack mountains, on the shores of Lakes Mirror and Placid, is readily reached from Saratoga by rail on the New York Central railroad via Albany or Schenectady; or via Plattsburgh over the Delaware and Hudson railroad. [Lake Placid is 120 miles from Saratoga by state roads, and would make a wonderful motor trip, and parties of 6, 11 or 14 could be handled that way. It would also be possible to go through Lakes George and Champlain, and reach Lake Placid Club by motor from Westport, 35 miles].

Dr. Dewey will personally welcome any who come to the club, making them members during their stay without admission fee, and thus give all the benefit of a reduction of fifty cents a day on the meals. That is, meals would be \$3.00 a day to the A. L. A. party. One dollar rooms are offered free, or a credit of \$1.00 on any larger room or room with bath, and a charge of half regular price for the difference. This is certainly a rare opportunity for an inexpensive rest-outing among the mountains and Adirondack lakes. To quote from Mr. Dewey's invitation:—"I

will give those who come a library banquet; a forty mile motor trip to our Stonhous farms, gardens, creamery, grist mill; and another thirty mile trip through our Placid farms, with an afternoon on the lake in the club launch, and a camp dinner on 'Moos Yland.' I will give them the free use of boats, canoes, golf courses, tennis, camps, during their stay; other rides, besides the two free ones, at half price for cars or carriages. Our Boston symphony music begins July 8. The party ought to plan to stay at least three days to get a good look at our dooryard, which is now ten miles long, and could remain as long as they wished until rooms were required for the regular tenants. My instinct is to have as many as possible of these hard-worked librarians get an extra nice trip out of it."

It is only necessary to add to the above that no one ever regretted such a visit as that offered, and to ask any who care to go to the Lake Placid club to write to Dr. Dewey there, of their wishes as to rooms and length of stay. *Please write him before June 20* for privilege cards entitling to reductions offered. The Travel committee will make arrangements for transportation if those going will apply at headquarters during the first three days of the Conference.

TRAVEL COMMITTEE,

F. W. FAXON, Chairman.

SARATOGA CONFERENCE ITEMS

REGISTER AT HEADQUARTERS.

Carry with you to the Conference some thought which perhaps you may pass along to the worker who is confronting to-day what you tackled yesterday.

The Saratoga country abounds in beautiful walks and drives.

It is especially desired this year that

baggage shipped to the Conference city should be reduced to the lowest possible terms. Do not bring a trunk unless it is absolutely necessary. In keeping with the times, simplicity of dress should characterize the meeting of 1918.

Saratoga Lake, an attractive sheet of water, is four miles from the town of Saratoga Springs, and may be reached by trolley and auto. A very pretty public park is situated across the street from the headquarters hotel.

Lake George is about thirty miles distant from Saratoga Springs.

Baggage tags on which name of Saratoga Springs hotel should be written will be forwarded to each person making hotel reservation, in order to secure prompt delivery to hotels.

The following restaurants are available at Saratoga Springs:

Blue Bell Restaurant and Grill, 417 Broadway, one half block from Grand Union.

Favorite Restaurant, 445 Broadway, one block from Grand Union.

Skidmore Tea Room, 340 Broadway, one block from Grand Union.

It is expected that attendance at this Conference will be limited by prevailing conditions. The A. L. A. however hopes that a representative gathering, voicing afresh that concern which the activities of librarians have indicated in the national crisis, may extend its influence with no inconsiderable patriotic stimulus as well as professional incentive to those who miss the privilege of presence at the annual convocation.

The following nominations have been made by the committee on Nominations. The report of the committee has been adopted by the Executive Board.

ADVANCE ATTENDANCE REGISTER

An advance attendance register will be printed as usual. We want this to include all those who will attend the Conference. The list will be compiled from hotel bookings made through the A. L. A. representative at Saratoga Springs. All who expect to attend and who do *not* make their

hotel reservation through the above agency should send name, library position, home address and Saratoga Springs address not later than June 20 to American Library Association, care Manager Grand Union Hotel, Saratoga Springs, N. Y.

LIBRARY SCHOOL DINNERS

Library school dinners will be held on Thursday and Friday evenings, July 4 and 5. Programs for these evenings are scheduled to begin at 8:30 instead of 8, so as to allow dinner groups to remain together as long as possible. Those in charge of these dinners or reunions will please write the Secretary of the A. L. A., who will gladly help with arrangements. Dinners can most conveniently be arranged for and held at the Grand Union, although private dining rooms will not be available for all.

LEAGUE TO ENFORCE PEACE

President Montgomery will officially represent the American Library Association at a conference of the League to Enforce Peace, in Philadelphia, May 16-18. The object of the meeting, which will be addressed by a number of notable representative Americans, is expressed in their slogan: "Win the war for permanent peace."

ILLINOIS STATE HISTORICAL SOCIETY

Mr. P. L. Windsor, librarian of the University of Illinois, and Mrs. Jessie Palmer Weber, librarian of the Illinois State Historical Society, were appointed by President Montgomery to be the official representatives of the American Library Association at the Centennial Celebration of the Illinois State Historical Society, held in Springfield, April 16-17, to commemorate the one hundredth anniversary of the admission of Illinois into the Union.

COMMONWEALTH OF MASSACHUSETTS

Be it known, that whereas Justin Winsor, C. A. Cutter, Samuel S. Green, James L. Whitney, Melvil Dui, Fred B. Perkins and Thomas W. Bicknell, have associated themselves with the intention of forming a corporation under the name of the American Library Association for the purpose of promoting the library interests of the country by exchanging views, reaching conclusions, and inducing co-operation in all departments of bibliothecal science and economy; by disposing the public mind to the founding and improving of libraries; and by cultivating good will among its own members, and have complied with the provisions of the statutes of this Commonwealth in such case made and provided, as appears from the certificate of the President, Treasurer and Executive Board of said corporation, duly approved by the Commissioner of Corporations, and recorded in this office:

Perkins and Thomas W. Bicknell, their associates and successors, are legally organized and established as, and are hereby made an existing corporation under the name of the American Library Association, with the powers, rights, and privileges, and subject to the limitations, duties, and restrictions, which by law appertain thereto.

Witness my official signature hereunto subscribed, and the seal of the Commonwealth of Massachusetts hereunto affixed this tenth day of December in the year of our Lord one thousand eight hundred and seventy-nine.

HENRY B. PEIRCE,
Secretary of the Commonwealth.

AMERICAN LIBRARY ASSOCIATION

Organized Oct. 6, 1876; Incorporated Dec. 10, 1879

This national body was organized in Philadelphia, October 6, 1876, as the immediate result of a three days' library conference held in connection with the Centennial exhibition.

Its purposes are the promotion of library interests, the interchange of experience and opinion, the obtaining of larger results from library labor and expenditure, and the advancement of the profession of librarianship.

In addition to advancing library interests generally, the Association aims:

1. By organization and force of numbers to effect needed reforms and improvements, most of which could not be brought about by individual effort.
2. By coöperation, to lessen labor and expense of library administration.
3. By discussion and comparison, to utilize the combined experiments and experience of the profession in perfecting plans and methods, and in solving difficulties.
4. By meetings and correspondence, to promote acquaintance and *esprit de corps*.

Offices of the Association

The executive and publishing offices of the Association are at 78 East Washington St., Chicago, on the second floor of the Chicago public library building. They are open daily from nine to five and members visiting Chicago may have mail sent here and are cordially invited to use the rooms. Any changes of address or position should be reported promptly to the executive office so that the membership list in the Handbook may be up-to-date and all publications may reach members promptly.

Membership and Dues

Any person or institution engaged in library work may become a member. The annual dues are Two dollars for individuals and Five dollars for institutions, payable in advance on January 1. An entrance fee of One dollar must be paid by individuals upon joining or rejoining if membership has lapsed. Any individual member may become a life member exempt from dues on payment of Twenty-five dollars.

All applications for membership and remittances for dues should be made to the American Library Association, 78 East Washington St., Chicago, by money orders or drafts on New York or Chicago. If local checks are sent, 10 cents exchange should be added.

Benefits of Membership

Individual members receive the Bulletin of the American Library Association, published bi-monthly and forming an annual volume of over 400 pages, one number of which is the official Handbook and another the Proceedings of the annual meeting; they enjoy special travel and hotel rates, all conference privileges and hospitalities, and are entitled to vote for officers of the Association. Every library worker whose name is on the membership list and who pays the annual fee, helps thereby to more effective work by the Association, which in turn will accrue to the benefit of the individual member.

Institutional (library) members, in addition to the Bulletin, will receive the Booklist (10 issues a year), an annotated buying list of current books suitable for large and small libraries. Every library member may send one delegate to all meetings of the Association, who shall be entitled to all privileges of an individual member.

Libraries may ask Headquarters for information on any library subject.

CONSTITUTION OF THE AMERICAN LIBRARY ASSOCIATION

Adopted 1909

Object

Sec. 1. The object of the American Library Association shall be to promote the welfare of libraries in America.

Membership

Sec. 2. **Members.** Any person or institution engaged in library work may become a member by paying the annual dues; and others, after election by the Executive board; but no member shall be entitled to vote at a business meeting of the Association or for the election of officers until the annual meeting of the calendar year following his accession to membership. The annual dues of the Association shall be two dollars for individuals and five dollars for libraries and other institutions, payable in advance in January, save that for the first year the dues for individuals shall be three dollars.

Sec. 3. **Honorary Members.** On nomination of the Council, honorary members may be elected by unanimous vote at any meeting of the Association.

Sec. 4. **Life Members and Fellows.** Any individual member may become a life member, exempt from dues, by paying \$25. On payment of \$100 any individual member may become a life fellow. An individual life member may become a life fellow on payment of \$75.

Endowment Fund

Sec. 5. All receipts from life and perpetual memberships and life fellowships, and all gifts for endowment purposes, shall constitute an endowment fund, which shall be invested and the principal kept forever inviolate. The interest shall be expended as the Executive board may direct. The endowment fund shall be in the custody of three trustees, one of whom shall be elected by ballot at each annual meeting, to hold office for three years from the date of his election and until his successor

shall be elected. No money from the endowment fund shall be invested or expended except on check signed by a majority of the trustees.

Management

Sec. 6. The business of the Association, except as hereinafter specifically assigned to other bodies, shall be entrusted to the Executive board. But the Association may, by a three-fourths vote of those present and voting, take direct action, or revise the action, of the Executive board or Council, or give them mandatory instructions.

Officers and Committees

Sec. 7. The officers of the Association shall be a president, first and second vice-presidents, a secretary, and a treasurer. The president and vice-presidents shall be elected at each annual meeting of the Association. The secretary and treasurer shall be chosen by the Executive board, shall hold office at its pleasure, and receive such salaries as it shall fix.

Sec. 8. **President and Vice-Presidents.** The president shall be the representative head of the Association. In case of his death, resignation, or inability to serve, the ranking vice-president shall become president.

Sec. 9. **Secretary.** The secretary, subject to the general authority of the president and of the Executive board, shall be the active executive officer of the Association. He shall keep a record of the attendance and proceedings at each meeting of the Association, Council or Executive board, and serve as agent for the treasurer in collecting membership dues.

Sec. 10. **Treasurer.** The treasurer shall record all receipts and disbursements, pay bills, on approval of the chairman of the finance committee or of a member designated by that committee, and make an an-

nual report to the Association covering the calendar year.

Sec. 11. Executive Board. The president and vice-presidents, together with six other members elected as hereinafter specified, shall constitute the Executive board. At the annual meeting of 1909 there shall be elected by ballot six persons to serve as the above mentioned elective members of the Executive board. Immediately after their election they shall by lot divide themselves into three equal classes, of which the term of the first shall expire in 1910, of the second in 1911, and of the third in 1912. In 1910 and at each annual meeting of the Association thereafter, there shall be elected by ballot for a three years' term, two members of the Executive board to take the place of those whose term will thus expire. The Executive board shall administer the business affairs of the Association except those specifically assigned to other bodies, or dealt with by direct vote of the Association as hereinbefore provided. It shall appoint the non-elective and assistant officers, and all standing committees; and fix the salaries of all paid officers of the Association. It shall have authority to arrange the program for the annual meeting and to decide upon the presentation and printing of papers and reports. It shall have authority to include in the publications of the Association so much of the program, notices, circulars, and proceedings of affiliated associations as it may deem advisable.

Sec. 12. Finance Committee. There shall be a finance committee of three, the chairman of which shall be chosen from the Executive board. The finance committee shall prepare annual and supplementary budgets, within which appropriations shall be made by the Executive board, and no expense shall be incurred in behalf of the Association by any officer or committee in excess of the authorized appropriation. The finance committee shall audit the accounts of the secretary, treasurer and trustees of the endowment fund and report to the Association at the annual meeting.

Sec. 13. Votes by Correspondence. Ap-

proval in writing by a majority of a board or committee voting shall have the force of a vote, provided no member expresses disapproval.

Council

Sec. 14. Membership. The Council shall consist of the Executive board, all ex-presidents of the Association who continue as members thereof, all presidents of affiliated societies who are members of the Association, twenty-five members elected by the Association at large, and twenty-five elected by the Council itself and one member from each state, provincial and territorial library association or any association covering two or more such geographical divisions which complies with the conditions for such representation set forth in the by-laws. The elected members shall be chosen five each year by the Association and Council respectively, to hold office for five years, except that at the annual meeting of 1909 the existing Council shall elect twenty-five and shall divide them by lot into five classes to hold one, two, three, four and five years respectively.

Sec. 15. Meetings. The Council shall hold at least two meetings a year, one of which shall be at the time and place of the annual meetings of the Association. Other meetings shall be called upon request of twenty members.

Sec. 16. Duties. The Council may consider and discuss library questions of public and professional interest, and by a two-thirds vote adopt resolutions on these or any other matters of library policy or practice, and no resolutions, except votes of thanks and no local arrangements shall be otherwise adopted. In particular it shall consider and report upon questions which involve the policy of the Association as such; and no such questions shall be voted upon by the Association, except upon a three-fourths vote of the Association deciding for immediate action, without a previous reference to the Council for consideration and recommendation. It may by two-thirds vote affiliate with the American Library Association, upon suitable condi-

tions, other organizations kindred in purpose and by the same vote establish sections of the Association. It may nominate honorary members.

Terms of Office

Sec. 17. All officers, members of the Council and members of the Executive board elected by the Association shall serve until the adjournment of the meeting at which their successors are chosen.

Publishing Board

Sec. 18. The publishing board shall consist of five members appointed by the Executive board for terms of not more than three years, one of whom shall be chosen from the Executive board. Its object shall be to secure the preparation and publication of such catalogs, indexes and other bibliographic and library aids as it may approve.

Sec. 19. The publishing board shall annually appoint its chairman and secretary.

Sec. 20. No work involving the expenditure of money shall be undertaken except by a vote of a majority of the whole board, and the Association shall not be liable for any debts incurred by the publishing board. The treasurer of the Association shall serve as treasurer of the publishing board, but shall keep separate accounts. With the approval of the finance committee, money may be apportioned by the Executive board from the treasury of the Association for the running expenses of the publishing board.

Sec. 21. The publishing board shall report in print at each annual meeting of the Association.

Meetings

Sec. 22. **Annual Meeting.** There shall be an annual meeting of the Association at such place and time as may be finally determined by the Executive board.

Sec. 23. **Special Meetings.** Special meetings of the Association may be called by the Executive board, and shall be called by the president on request of twenty members of the Association. At least one month's notice shall be given, and only

business specified in the call shall be transacted.

Sec. 24. **Quorum.** Forty members shall constitute a quorum of the Association and twenty of the Council.

Amendments and By-Laws

Sec. 25. **Amendments.** This constitution may be amended by a three-fourths vote of those present and voting at two successive meetings of the Association, provided that notice of the amendments be sent to each member of the Association at least one month before final adoption.

Sec. 26. **By-Laws.** By-laws may be adopted by vote of the Association upon recommendation of the Executive board or after reference to and report from the Executive board. Any by-laws may be suspended by a three-fourths vote of those present and voting at any meeting of the Association.

BY-LAWS

Sec. 1. Any person renewing membership shall pay all arrears of dues or dues required of new members. Members whose dues are unpaid at the close of the annual conference and who shall continue such delinquency for one month after notice of the same has been sent by the treasurer, shall be dropped from membership.

Each new member shall be assigned a consecutive number in the order of first joining and paying dues. A delinquent member rejoining shall receive his original number. It shall be the duty of members to inform the secretary promptly of any change of address.

The fiscal year of the Association shall be the calendar year.

Sec. 2. At least three months prior to the annual meeting of the Association the Executive board shall appoint a committee of five, no one of whom shall be a member of the Board, to nominate the elective officers and other members of the Executive board, trustees of the Endowment fund, and such members of the Council as are to be chosen by the Association under the provisions of Sec. 14 of the constitution.

This committee shall report to the Executive board, which shall after adoption of the report publish its nominations in the Bulletin at least one month prior to the annual meeting of the Association and shall place such nominations before the Association on a printed ballot which shall be known as the "Official Ballot." The Board shall also include on such ballot other nominations filed with the secretary by any five members of the Association at least twenty-four hours before election, provided that with the petition containing such nominations or noted upon it, shall be filed the consent of the person or persons so nominated.

In general, nominations to the Council shall be made with a view of having it representative of all sections of the country and of the principal classes of libraries included in the Association. No person shall be nominated as president, first or second vice-president or councilor of the Association for two consecutive terms. No more than the required number of nominations shall be made by the committee. The position and residence of each nominee shall be given on the official ballot.

Sec. 3. At the first meeting of the Council at each annual conference, there shall be designated a committee of five to nominate the new members of the Council which the Council itself is to elect for the next ensuing term. This committee shall report to the Council, and the election by the Council shall be by ballot. The prohibition in Sec. 2 of the re-election of a councilor for two consecutive terms shall not apply to the councilors elected by the Council itself.

Sec. 3a. Each state, territorial and provincial library association (or any association covering two or more such geographical divisions) having a membership of not less than fifteen members, may be represented in the Council by the president of such association, or by an alternate elected at the annual meeting of the association. The annual dues shall be \$5.00

for each association having a membership of fifty or less, and ten cents per additional capita where membership is above that number. The privileges and advantages of the A. L. A. conferences shall be available only to those holding personal membership or representing institutional membership in the Association or to members of other affiliated societies.

Sec. 4. In case of a vacancy in any office, except that of president, the Executive board may designate some person to discharge the duties of the same *pro tempore*.

Sec. 5. The president and secretary, with one other member appointed by the Executive board, shall constitute a program committee, which shall, under the supervision of the Executive board, arrange the program for each annual meeting, and designate persons to prepare papers, open discussions, etc., and shall decide whether any paper which may be offered shall be accepted or rejected, and if accepted, whether it shall be read entire, by abstract or by title. It shall recommend to the Executive board printing accepted papers entire or to such extent as may be considered desirable. Abstracts of papers to be presented at annual conferences shall be in the hands of the program committee at least two weeks before the conference.

Sec. 6. The Executive board shall appoint a committee of eight on library training, which shall from time to time investigate the whole subject of library schools and courses of study, and report the results of the investigations, with its recommendations. The membership of this committee shall be as follows: one member of a state library commission, one librarian of a free public library of at least 50,000 volumes, one librarian of a college or reference library, one library trustee, four library school graduates, including one from the faculty of a library school; one school graduate and one other member to retire each year.

Sec. 7. The Executive board shall ap-

point annually a committee of three on library administration to consider and report improvements in any department of library economy, and make recommendations looking to harmony, uniformity and coöperation, with a view of economical administration.

Sec. 8. The Executive board shall at each annual meeting of the Association appoint a committee of three on resolutions, which shall prepare and report to the Association suitable resolutions of acknowledgment and thanks. To this committee shall be referred all such resolutions offered in meetings of the Association.

Sec. 8a. Petitions for the establishment of sections shall be presented only by members actively engaged in the work of the proposed section and by not less than twenty such members. Before such a petition be granted by Council, it shall be referred to a special committee to be appointed by the president, which committee after investigating the grounds for the petition and the conditions regarding it, shall report to the Council as to the desirability of such section. Council shall have power to discontinue a section when, in the opinion of Council, the usefulness of that section has ceased.

Sec. 9. The objects of sections which may be established by the Council under

the provisions of Sec. 16 of the constitution, shall be discussion, comparison of views, etc., upon subjects of interest to the members. No authority is granted any section to incur expense on account of the Association or to commit the Association by any declaration of policy. A member of the Association eligible under the rules of the section may become a member thereof by registering his or her name with the secretary of the section.

Sec. 10. Provision shall be made by the Executive board for sessions of the various sections at annual meetings of the Association, and the programs for the same shall be prepared by the officers of sections in consultation with the program committee. Sessions of sections shall be open to any member of the Association, but no person may vote in any section unless registered as a member of the same. The registered members of each section shall, at the final session of each annual meeting, choose a chairman and secretary, to serve until the close of the next annual meeting.

Sec. 11. The vote of institutional members shall be cast by the duly designated representative whose credentials are filed with the secretary. In the absence of such designation or of such delegate the vote may be cast by the chief librarian or ranking executive officer in attendance at the meeting.

ENDOWMENT FUNDS

Following the meeting of 1890 and through the efforts of the Trustees section to collect a permanent fund "for publishing the proceedings of the association," the Endowment fund (see sec. 5 of Constitution) was established. It amounts now to \$8,436.84. To this fund was added in 1902 the Carnegie Fund of \$100,000 given by Andrew Carnegie as a special fund, the income of which shall be applied to the preparation and publication of such reading lists, indexes and other bibliographic and literary aids as would be especially

useful in the circulating libraries of the country. By a vote of the Council, the Carnegie fund has been placed in charge of the trustees of the Endowment fund. Special mention should be made of the benefactions of George H. H. in financing several publications which the Association would not have been able to have published without such financial aid. Full information as to the investment and condition of these funds will be found in the reports of the Trustees as printed each year in the Conference Proceedings.

AMERICAN LIBRARY ASSOCIATION PUBLISHING BOARD

History. The Publishing Section of the American Library Association was organized in 1886 to further coöperation among libraries in preparing and publishing bibliographies, indexes and special catalogs. In 1900 the organization was changed and the work placed in charge of a Publishing Board of five members, appointed by the executive committee of the Association. In 1902 Mr. Andrew Carnegie gave a fund of \$100,000, the income from which is to be applied to the preparation and publication of desirable library aids.

Publications. On the following pages is a list of the books now in print. A special feature of the bibliographic work is the annotations made by specialists.

Prices. Strictly net, unless otherwise indicated; postage extra on book publications.

BOOK PUBLICATIONS

Guide to reference books, by Alice B. Kroeger. Revised, 1917, by Isadore G. Mudge. Cloth, \$2.50 (postage extra).

Designed to help library assistants, library school students, college and normal students, teachers, etc., in gaining a knowledge of reference books quickly. It also serves as a guide to the selection of reference books for a library. A full index shows where to find in the various books of reference many topics of general interest to which there is ordinarily no clue.

Since the preceding edition of the Guide was issued in 1908 many important reference books have been issued on all subjects, and many of the old standards have been thoroughly revised. This new edition lists over one and a half times as many titles as the old and the notes are much more critical and minutely descriptive.

The new edition is so completely different from the old that it is necessary to all libraries making effort at careful ref-

erence work, and is recommended for purchase to all libraries having five thousand volumes or more.

A. L. A. Index to general literature. Edited by W. I. Fletcher. Cloth, \$6.

It does for general literature what Poole has done for periodicals, indexing some 6,000 volumes; collections of essays and critical biographic monographs; books of travel, general history, etc., in which chapters of parts are worthy of separate reference; reports and publications of boards and associations dealing with education, labor, health, statistics, etc.; many miscellaneous books, including some volumes of the U. S. public documents.

Supplement to above. Cloth, \$4.

Consists of a cumulation, under one alphabet, of the analytics of composite books and publications of societies and bureaus, indexed in the Annual Library Index, 1900 to 1910, inclusive, and of 125 books never before analyzed in print.

A. L. A. Portrait index, edited by William C. Lane and Nina E. Browne. Cloth, \$3.

Can be obtained from the Superintendent of Documents, Washington, D. C., by sending in advance a money order for \$3.

An index to portraits (about 120,000) contained in printed books and periodicals, compiled with the coöperation of many librarians and others for the A. L. A. Publishing Board.

Index to library reports. By Katharine T. Moody. 185p. Cloth, \$1.

Opens up a vast amount of library economy heretofore buried in library reports. A tool for the librarian's office.

Index to kindergarten songs. By Margery C. Quigley. 286p. Cloth, \$1.50.

Plan is similar to that of the well-known Granger index to recitations. Three types of books are indexed: those containing only kindergarten songs, those containing both kindergarten and folk songs, and those including folk songs only.

Brief guide to the literature of Shakespeare. By H. H. B. Meyer. Paper, 50c.

"This brief guide to the literature of Shakespeare was undertaken at the request of the Drama League of America. Its object is to provide information concerning the various editions of Shakespeare's writings, and to point out at least a few of the biographies, commentaries, and criticisms which have contributed to our knowledge of the poet and his works. It is hoped that it will enable the libra-

rian, the teacher or any one who may be interested, to select the books best suited to his particular needs, with the least expenditure of time and money."—Preface.

Lists of material which may be obtained free or at small cost. By Mary Josephine Booth. Paper, 25 cents.

"The aim in compiling this list has been to provide for small and medium sized libraries a selected list of material which will prove of use in supplementing at small expense the books and magazines already on the shelves. It is hoped that it will also be found useful by teachers, especially by those who have not access to a public library."—Extract from Preface.

A large part of the material listed can be had by libraries free for the asking from the publishers. The balance is obtainable for from five to fifty cents. Geography is not included because a list on this subject, by Miss Booth, has already been issued.

Subject headings for use in dictionary catalogs of juvenile books. By Margaret Mann. Cloth, \$1.50. (Bound uniform with "List of Subject Headings," by Mary J. Briggs.)

"The subjects and references are those used in the dictionary catalog of juvenile books in the Carnegie Library of Pittsburgh, but the style and form have been made consistent with the A. L. A. list, thus allowing additions to be taken from that volume without loss of uniformity.

"While there has been no attempt made to supply an exhaustive list of subjects for use in any other than the juvenile catalog, it is hoped that the headings may be found helpful for cataloging most school libraries and that they will furnish many suggestions in the selection of minute headings for the small public library, where it is often found necessary to do extensive analytical work."—Extract from the Preface.

SECTIONS OF THE ASSOCIATION

By means of a system of sections the practical usefulness of the A. L. A. meetings has been considerably enlarged. The section meetings, while open to all, provide especially for the needs of each class of workers, and afford more opportunity for the discussion of details. The general, or undivided, sessions are thus left free for subjects of general interest and the consideration of routine matter concerning the entire association.

Six of these sections maintain a formal organization from year to year, and take under consideration questions relating more particularly to their own province.

They are as follows:

COLLEGE AND REFERENCE SECTION

which dates from a first meeting of the college librarians held in 1889. Since then, meetings have been held regularly.

No election of officers was held at the 1918 meeting.

The members of the committee on ar-

rangements are: Malcolm G. Wyer, University of Nebraska library, Lincoln, Neb. (for one year); George Parker Winship, Widener library, Harvard University, Cambridge, Mass. (for two years); Augustus H. Shearer, Grosvenor Library, Buffalo, N. Y. (for three years).

TRUSTEES SECTION

has had a permanent organization since the meeting of 1890.

More boards of trustees are each year recognizing the practical value of having their librarians attend the meetings, allowing them not only the time, but also necessary expenses in many cases. Equally significant is the increasing number of trustees who find that it pays to attend the A. L. A. meeting each year. By comparing views, and advising with each other on their peculiar duties, mutual aid is rendered toward the efficient discharge of the public trust committed to them. Some of the meetings of trustees are held jointly with the librarians interested in supervising

ory problems; others with trustees only present; thus favoring the joint and separate discussion of salaries, laws, vacations, rules for the staff, and other questions in which librarians have a personal interest that modifies their judgment.

Officers for 1918-19 are: Chairman, Washington T. Porter, Cincinnati, O.; secretary, T. L. Montgomery, State library, Harrisburg, Pa.

CATALOG SECTION

was established by action of the Council in 1900 and has met at each conference since the Waukesha meeting in 1901, excepting at St. Louis in 1904, when no section meetings were held.

At the Mackinac Island conference (1910) the Catalog section completed its organization by the adoption of a constitution and by-laws. Officers for 1918-19 are: Chairman, Jean Hawkins, New York State Library School, Albany, N. Y.; secretary, Adah Patton, University of Illinois Library, Urbana, Ill.

CHILDREN'S LIBRARIANS SECTION

At the Montreal conference in 1900 an informal meeting was held for the purpose of personal acquaintance and coöperation among those actively engaged in library work with children. As a result of this meeting the Club of children's librarians was formed, and, in recognition of this movement for closer organization and wider discussion in this field than was afforded at the general sessions of the A. L. A., the executive board, in November, 1900, established this section, which held its first meeting at Waukesha in 1901.

Officers for 1918-19 are: Chairman, Caroline Burnite, Public library, Cleveland, O.; vice-chairman, Adeline Zachert, Public library, Rochester, N. Y.; secretary, Ethel Wright, Public library, Toledo, O.

PROFESSIONAL TRAINING SECTION

This section was established by vote of the Council of A. L. A. on June 26, 1909, upon petition signed by the members of the Committee on library training. Its first meeting was held at the Bretton Woods conference and its second meeting took place at the Mackinac Island conference, when constitution and by-laws were adopted.

Officers for 1918-19 are: Chairman, Mrs. Harriet P. Sawyer, Public library, St. Louis, Mo.; vice-chairman, Mary Emogene Hazeltine, University of Wisconsin Library School, Madison, Wis.; secretary, Clara W. Herbert, Public library of District of Columbia, Washington, D. C.

AGRICULTURAL LIBRARIES SECTION

At the Mackinac Island conference a round table of librarians of agricultural libraries was held, at which it was voted to request the Council of the A. L. A. to create an agricultural libraries section. Conditions having been complied with, this was done at the Pasadena conference in 1911. Officers for 1918-19 are: Chairman, Vera M. Dixon, Iowa State College, Ames, Iowa; secretary, Lucy E. Fay, University of Tennessee library, Knoxville, Tenn.

SCHOOL LIBRARIES SECTION

At the conference of 1913 and 1914 informal round table meetings of high and normal school librarians were held, and at the latter conference a formal petition was made to the Council that a section for school libraries be established. The Council in January, 1915, authorized the organization of the section, and the first meeting was held at the Berkeley conference.

Officers for 1918-19 are: Chairman, Helen S. Babcock, Public library, Chicago; secretary, Annie T. Eaton, Lincoln School, Teachers' College, 646 Park Av., New York City.

AFFILIATED ORGANIZATIONS

Acting under Section 16 of the Constitution and upon applications formally made by the proper officers, the Council has regularly affiliated with the American Library Association the following national organizations of kindred purpose. These societies meet annually at the time and place of meeting of the A. L. A., their members enjoy all privileges of members of the larger body as to railroad and hotel rates and conference hospitalities, their proceedings are included in the A. L. A. conference volume and they are often formally represented by designated delegates upon the program of the Association.

NATIONAL ASSOCIATION OF STATE LIBRARIES

Evans, Massachusetts State library, Boston; second vice-president, Mrs. Maud Barker Cobb, Georgia State library, Augusta; secretary-treasurer, Mrs. Eva May Fowler, Illinois State library, Springfield.

MEMBERS

This list has been prepared at A. L. A. Headquarters, and is, so far as possible, correct to December 10. The names of honorary members are printed separately, names of libraries and other institutional members in Gothic type and of life members in capitals.

The number following each name is the registration number in the order of joining.

Appended to this list of Members is a Directory of those engaged in the Library War Service of the American Library Association, corrected to December 10. Many members of the Association have previously been engaged in the Library War Service, but are not so engaged at this date. The record of all those who have served up to June 15, 1918, will be found in a supplement to the "Library War Bulletin," v. 1, no. 7 (June, 1918).

The following list of Members aims to give the permanent position and address. Hence engagement in the Library War Service is not there recorded, record of it being made instead in the appended Directory and in the bulletin above referred to. There are a few exceptions. Those who have resigned previously-held positions, and therefore are connected solely with the Library War Service, are named in connection with their camp or overseas position. Where members are absent from their regular post on war work other than Library War Service mention is made in the membership list. There are, we fear, a number of members on leave for such work—Y. M. C. A., Y. W. C. A., Knights of Columbus, Jewish Welfare Board, Red Cross, etc.—whose absence and service are not known to us.

In the following list of Members those who are engaged in the Library War Service have the letter (W) following their names. Their connection with the Library War Service can be learned by referring to the appended Directory, index at end.

Those who have been, or still are, in the military or naval service of the country are designated in the list of members by the words "In active service with the Colors" after their names. The Headquarters office has not been able to give their rank, location or the unit with which they are serving. The office will attempt to compile this information later for permanent record.

NECROLOGY

The following list, prepared by Mrs. Henry J. Carr, is the necrological record of A. L. A. members in the Handbook, 1918.

The number following the year of enrollment is that of accession in the numerical registration of the Association.

W. J. E. Barnwell, assistant librarian of the Public Library, Cincinnati, Ohio, died May 8, 1918. He joined the A. L. A. in 1882 (No. 420) and attended the conferences of 1882 and 1905.

Edmund Mills Barton, librarian emeritus of the American Antiquarian Society, Worcester, Massachusetts, died April 14, 1918. A charter member (No. 33) and a life member of the A. L. A., he had attended the conferences of 1876, '79, '83, '85, '86, '92, '93, '98, 1902, '05, '06, '09, '11 and London International, 1897.

Henry Belin, Jr., treasurer of the Public Library, Scranton, Pennsylvania, died December 25, 1917. He joined the A. L. A. in 1905 (No. 3488) but had attended no conferences.

William Howard Brett, for thirty-four years librarian of the Cleveland Public Library, died August 24, 1918. As the head of a great and successful library, his dedication to its service had been complete, and the system built up by him will perpetuate his memory.
